Outcomes of Meeting Discussions

- ASEAN secretariat responded favorably (and rapidly) to the discussion on the development of a collaboration with the Asia Codex Initiative.
- Awaiting decision for a timeslot at the upcoming meeting of the 28 September, 2002 – ASEAN Codex Taskforce.
- Prof. Tee and Prof Hariyadi offered to facilitate some initial engagement with active Codex contact points in the region – for example: Thailand, Indonesia, Malaysia.
- Upon confirmation of duration of timeslot for the presentation at the Taskforce meeting, further coordination will be arranged as to presentation content.
- It was recommended that the presentation include material representing the model and outputs of the Arab Codex Initiative to showcase what can be implemented.
