

## PROPOSED APPROACH ADOPTED FOR ANALYSIS OF AGENDA ITEMS

# Approach for Review and Analysis of Agenda Items

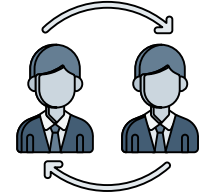

Priority Committees  
for Countries / the Region

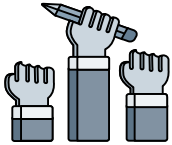

Analysis of the Agenda  
Items

Sharing the Analysis of  
the Agenda Items

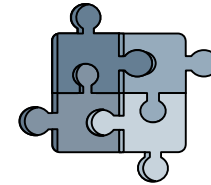

Receiving Feed-back and  
Incorporating Input

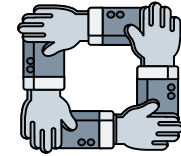

Agenda Items of  
Importance

Reliance on Expertise from  
Member Countries :  
Towards Pools of Expert

Soliciting input – Over  
all Support to Position  
Development

Aiming for more  
Coordinated Positions

Analysis of Codex Committee Agenda Items supports the Development of (National / Regional) Positions and Enables Effective Participation of Codex Delegations to Priority Codex Committees

# Supports .....

Coordination At the Regional / Sub-Regional Level

Identification of Data Generation Needs for National Purposes as well as to Assess Impact of Proposed Codex Standards

Contribute to establishing a participatory dialogue, exchanging experiences and ensuring coordinated progress at the regional and international levels..
